Further details on Agenda Items

24/39 Cllr Yiend spoke to the headteachers of both schools about attending the Parish Council meeting but unfortunately, they already have other commitments. The parents have received communication for a community meeting which is being held on the 23rd of April at 7pm in the Moorland Hall and is being chaired by Steven Pugsley. Any input from parishioners at the Parish Council meeting can be captured to help represent views at the meeting the following week.

24/45 Two decision notices have come through for the following applications:

24/46 i) Cllr Norman will bring all the relevant quotes for the storage container and ground preparation works to the meeting to be discussed. He will also be able to share the outcome of talking to the neighbours. I will send councillors some updated quotes that I have obtained for the containers.

Other Updates

The tenant of the rental unit has signed a new 3-year lease agreement.

The free portrait of the King has arrived. I have contacted the Moorland Hall regarding it, and they are very grateful and will arrange for it to be hung in the Moorland Hall.
