25/122 The Policies listed are all ones that it was highlighted we should have through our risk register, and they are also ones that we should legally have in place. They have been reviewed by the FRWG and agreed to put to the full council for adoption.

Other Updates

I followed up with BT as the phone box has still not been re-painted and they sent the following:

“Unfortunately, our contractor could not carry out the work and it has been added to the programme for 2026. I realise this will be disappointing news and I am very sorry for the delay.

Thank you for your continued patience.”
